

Prepare to be **astounded.**

**250 acres of innovation. 300 years of history. 26 million artifacts.**

The Henry Ford is the country's deepest collection of inventions, places and moments that changed the world and captivate the history maker in all of us. Discover hundreds of hands-on ways to explore it, enjoy it and be inspired by it.

### **Henry Ford Museum of American Innovation™**

Step into a world where past innovations fuel the imagination of generations to come. A vibrant exploration of genius in all its forms, Henry Ford Museum of American Innovation allows you to experience the strides of America's greatest minds while fully immersing yourself in their stories. Step inside the bus where Rosa Parks took a stand by taking a seat; play pilot as you explore flight innovations, starting with the Wright brothers' achievements; make yourself at home inside Buckminster Fuller's circular Dymaxion House. Put yourself in the place of the movers and shakers who blazed the trail to where we stand today. And in doing so, discover your own path.

### **Greenfield Village®**

Experience firsthand the sights, sounds and sensations of America's fascinating formation, where over 80 acres brim with resourcefulness and ingenuity. Here, 300 years of American perseverance serve as a living reminder that anything is possible. Step foot in the lab where Thomas Edison had his lightbulb moment or the workshop where the Wright brothers taught us to reach for the sky. Take a ride in a real Model T or a walk through four working farms. Rub shoulders with world-class artisans, and explore the place where America's can-do spirit inspires you to go out and get it done.

### **Ford Rouge Factory Tour**

Pop open the hood on game-changing technology, sustainable design and sheer American grit at America's greatest manufacturing experience. Get an inside look at the making of America's most iconic truck, the Ford F-150, and immerse yourself in modern manufacturing's most progressive concepts. Experience the awe-inspiring scale of a real factory floor as you rev up your inner engineer. This is where big ideas gain momentum.

“One of the country’s  
best museums...”
